HOLIDAY HOMEWORK

“Education is the passport to the future, for tomorrow belongs to those who prepare for it today”

Dear Children

We are sure that all of you would have made plans for a fun filled summer vacation. We wish that you enjoy your long break with your parents, family and friends.

Try to utilize your time in such a way that you are able to sharpen your intellect as well as tone up your body by doing exercises. Read, play and enjoy!

The project based learning is a happy by product which makes the teaching and learning process more interesting and productive for both the students and teachers.

Try to complete your work neatly as the “Best Holiday Homework” would be awarded. One best holiday homework will be selected from each class on the basis of the following criteria: • Content • Coordination • Presentation • Creativity

Submit your project/ assignments to your class teacher on the reopening day after the vacation. Be systematic; decide how many days a week you want to spend doing the home work of each subject. Gather the things you need for the respective subjects so that you don't have to waste time in searching for them.

Note: Holiday homework marks will be added to your P.T 1 exams (10 marks for each subject).

We wish you all a safe, healthy, memorable and happy vacation.

GUIDELINES FOR THE PARENTS—

We would suggest parents to encourage their children to complete their assignments early (ideally, before you go for your vacation trips)

Parents can best assist the process of learning by providing consistent time and a quiet place for students to complete their homework and by showing a positive interest in it.

Please make sure that your children are in touch with their text books during the vacation.

Regular reading and revision must be a part of their daily routine.

Encourage your child to read as many story books as possible and help them to maintain a

personal library. Take them to a book shop and encourage them to choose and buy some books. Converse with them in English and acquaint them with new words everyday.
